

CATHY

Butterflies
Offer
Beautiful designs for
different fashions

I like to fly after
~~Sunset~~ Sunrise
for it is when I am
warm.

CYMOTHOE
HOBARTI HOBARTI

PAPILIO
~~PH~~ PHORCUS

Do you know that Butterflies are
good Pollinators? OR DID YOU KNOW
THAT CHIMPS EAT CATERPILLARS?

CYMOTHOE HOBARTI HOBARTI IS RED
ALL OVER. It has a colour of blood
in Latin sangaris stands for Blood.
We all have the same blood.

PAPILIO
OPHIDICEPHALUS
